Dr. Scott M. Soulier

Doctor Scott M. Soulier, a practicing Podiatrist here in Heber City these past few years, was born in Salt Lake City, Utah on June 13, 1951, a son of Glen and Ardis Polson Soulier. He has one sister, Jacque Garber. You may want the pronunciation of the name Soulier, it is pronounced SouliA. Scott's father, Glen Soulier was the Jordan School District's Supervisor of Science.

At the present time, he and his wife are filling an LDS mission in Seattle, Washington.

Scott enjoyed his years of schooling in Salt Lake City. While he was in Hillcrest High School, he enjoyed debating, and was on the tennis and swim teams, he was manager for the Hillcrest 1968 state championship basketball team. He graduated from Hillcrest High School in 1969, and attended the University of Utah one year before going on a two year LDS Church mission, in the Melbourne-Tasmania Mission in Australia. He enjoyed working with the people there.

Upon returning home in 1972, Scott returned to the University of Utah and completed his pre-requisites for admission to the Cal. College of Podiatric Medicine and got his Doctor's Degree there in 1976.

Scott was married to Barbara Jencks in 1973, and they spent their honeymoon in Heber City. She is the daughter of Dr. Stanley and Marilyn Jencks of Salt Lake City; her father is Professor of Mathematics and Education at the U of U.

After graduation from college in 1972, Scott spent the next two years as an Army Podiatrist at Ft.

Eustis, Virginia before returning to the University of Utah where he earned his Master's Degree in Community Medicine in 1981.

Dr. Scott M. Soulier has been practicing in Heber City for the past five years, from the Heber Valley Care Center. Then he and Dr. Jeffrey C. Page opened the Wasatch Foot Clinic, sharing the offices each Thursday afternoon, with Doctor Janet R. Kelly, M.D. at 570 East Center Street, Heber City, Utah.

As Doctor's Soulier and Page each have a busy practice in Salt Lake City, they alternate their turns on Thursday afternoons in Heber. Their specialties are: diseases, injuries of the foot and ankle, sports medicine for children and adults.

Dr. Scott M. Soulier is presently a "Podiatric Consultant" to the Utah State Health Department, presently they are working in a Diabetic Control Project Research, for the Center's for Disease Control and Dept. of Health. This research is designed to demonstrate an effective method of preventing foot ulcers in diabetics.

Scott and Barbara have their home in Midvale, Ut. and they have four lovely children: Lesa is nearly eight, Daniel is five, Robert

The

Wasatch Boys Stumble in Regional Round Robin

SALT LAKE—It was a hit and miss tournament, which took its toll on the Wasatch Boys Basketball team, as they lost to Union on opening night, and were lost to Emery.

Union's game, the Wasps fared hard to beat, though after the first few minutes of the game, Union squad took control and won by 2 points at the end of the first period.

Union, down by 4 points in the first minutes of the first half, went to a four corners stall, the Wasatch boys held their ground, Union made a mad pass into the hands of Gingell who threw the

ball, and with 3 seconds remaining passed to Gingell, who made a lay-up, putting the Cougars out front 50-49.

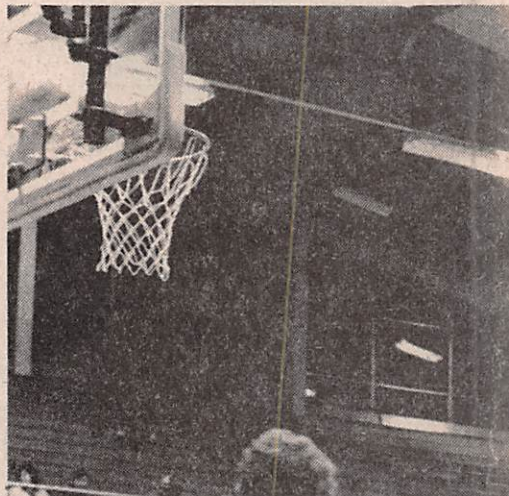

Wasatch then threw away the ball, and Union took a pass. A foul was called, and Union finished off over the Wasps, 52-50.
